

Let us know today what you want to do tomorrow...

Volunteers are needed throughout the calendar year in the Scholarship Fund of Alexandria offices and events. Whether you want to serve on the fundraising side (with the annual Gala, for example) or the College Advising side (helping with other volunteers to process the hundreds of applications as an Application Reader in the winter/spring, for instance), we can definitely use your brain and brawn to make the SFA run smoothly.

If you are interested in volunteering please fill in the form below and email it to:
scholarshipfund@acps.k12.va.us

Contact Information

First Name (required)

Last Name (required)
